MARIETTA DAILY LEADER

TUESDAY, MARCH 3, 1896

PERSONAL AND LOCAL.

—Misses Edith Mills and Maud Thomas left Monday for St. Paul, Minn., on a visit to friends.

—Miss Mary Canley left Monday for Sistersville, where she is employed as dressmaker for McCoy Bros.

—A son was born Sunday, March 1st, to Mr. and Mrs. Wm. Mahnken, Sixth street.

—Eugene Warner left Monday for his home in Zanesville.

—A. C. Denbarger, of Belpre, was in the city Monday on business.

—The second street paving will be begun in earnest about the first of April, or as soon as the weather will permit. The City Engineer has authorized the curb to be set after the first three consecutive days of good weather.

—E. J. Alexander, of Gallipolis, is a business visitor in the city.

—Mr. N. Corner, of Malta, was in the city on business Monday.

—Our snake story of yesterday proved a popular success, and the number of telephone calls we had concerning it clearly showed that all Marietta reads the Leader.

—See notice of the new dressmaking firm, Mrs. M. A. Payne and Mrs. Florence A. Dye.

—Mr. Will Loffland, who recently shot himself by accident, arrived home from Chicago Monday, accompanied by his sister, Miss Hattie Loffland.

—Mr. Charles Kidd, of Meigsville, a witness in the Lowe case, was taken ill coming down on the Z. & O. R. train Monday. He was confined to his room at the St. Cloud Hotel for several hours.

—John A. Floyd, of Morgan county, is in the city on business.

—Guard Grimes, of the Ohio Penitentiary, was in the city Monday interesting himself in the case of Harry Thompson, indicted for pocket picking, who formerly lived in Mr. Grimes' home town of Middleport. When Prosecuting Attorney Preston detailed the full measure of Thompson's wickedness Mr. Grimes lost most of his zeal in the young fellow's welfare. Thompson was married only a few days before arrested.

—The Paving Committee of Council met yesterday afternoon to consider the matter of paving for the next year. It was decided to recommend that notices be served on property owners immediately for the paving of Third street and that plans be completed for the paving of Fourth street from the Ohio river to Montgomery.

—To Messrs. Adams, Otto, Cleminger and Gage, members of the Glee, Mandolin and Guitar Club, we are indebted for a delightful midnight serenade rendered the "Leader" force. These young men play in a manner that is soul-stirring in the extreme, and they are but a "symptom" of what the Club is as a whole. Come often, boys, and stay late.

A Valuable Prescription.
Editor Morrison, of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Anna Stickle, 3023 Cottage Grove Ave., Chicago, was all run down, could not eat nor digest food, had a headache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength. Price 50 cents and \$1.00. Get a Bottle at W. H. Styer's Drug Store.

—The repairs are finished on the Florence Shanks and she is ready to re-enter the Waverly trade.

Capt. Ritchie, of the wharfbat, received Sunday from the steamer Columbia 1946 raw hides, consigned from Charleston, W. Va., to Strecker Bros., of this city. It is no doubt the largest shipment of the kind that ever came into Marietta.

The Ideal Panacea.
James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial Bottles Free at W. H. Styer's Drug Store.

Mayor's Court.
Three tramps were before Mayor Palmer Monday charged with vagrancy. Each was fined one dollar and costs and in default sent back to work it out.

Theodore Carey drew a prize of \$5 and costs for drunkenness and disorderly conduct and Tom Carnes \$10 and costs for the same offense. Both are eating Jailor Hancock's bread in the sweat of their brows.

George B. Buchanan, who, while intoxicated, took a cucumber from Charles Pape's grocery, was fined \$5 and costs for drunkenness.

B. & O. S. W.

Not included in the Receivership of the B. & O.

The receivership of the Baltimore & Ohio road does not include the Baltimore and Ohio Southwestern Company, which extends from Belpre, O., opposite Parkersburg, to East St. Louis, with branches to Louisville, Ky., and Springfield, Ills., and having a mileage of 922 miles.

This property is presided over by E. R. Bacon, who, by securing the Ohio and Mississippi road in 1893, and adding to it the B. & O. S. W., secured an entry to St. Louis. Since the consolidation of the properties the corporation has had no difficulty in earning its fixed charges and operating expenses, and it has a surplus. Its common stock is all owned by the B. & O. company, which thus has control of the property. The B. & O. company guarantees the interest on its bonds, but the property is operated as a separate corporation.

Captain W. W. Peabody, Vice President and General Manager of the company, is in Baltimore at present, having gone east to attend the joint traffic meeting and to consult with President Bacon over the appointment of a Traffic Manager. The troubles of the parent company have, however, overshadowed the detail of management and the new Traffic Manager has not been named. There are rumors to the effect that President Bacon has an eastern candidate who he is advocating for the position.

The Concert.

Last night's entertainment was, for Marietta, well nigh a musical festival, the Sherwood Concert Company being a strong and artistic attraction.

Only a fair house greeted the performance, but it was a house that was not slow to recognize the ability of the entertainers.

Sherwood, the pianist, demonstrated his eminent ability, as well as an agility in his handling of the piano, his treatment of which was dainty or tremendous, according to the mood signified by the composer. We wish, however, that he and all others in concert playing, might confine the expression of their genius to more tuneful creations.

The soloists, both in the concert program and in the third act of Faust, were very fine, all four being possessed of unusually good voices.

The soprano, Miss Osborn, is a Buckeye girl (we hope a McKinley girl, too) and she has a big, round, smooth voice that is superb in its sweetness. As Margarita she was simply charming, proving herself to be an actress as well as a singer.

The contralto, Miss Crawford, has a rich voice of great range, and her singing was very much enjoyed.

The two gentlemen, Messrs. Hannah and Derrick, were large factors in making the entertainment a fine one. The former is a lyric tenor, and he sang beautifully, without effort. Mr. Derrick is a big bass and sang with great skill.

River Intelligence.

At the last reading last night the Ohio was at the 9.5 stage and rising.

The Elaine passed down Monday with a tow of five barges of coal.

The Hudson was down at one o'clock Monday morning loaded to the guards with a miscellaneous trip of freight.

The Virginia will be down from Pittsburg today or tomorrow. She is off time and will lay up at Cincinnati while the new condensers are added to her engines.

Notice has been received from Pittsburg that the ice is coming out of the Allegheny and is expected to reach here today.

The repairs are finished on the Florence Shanks and she is ready to re-enter the Waverly trade.

Capt. Ritchie, of the wharfbat, received Sunday from the steamer Columbia 1946 raw hides, consigned from Charleston, W. Va., to Strecker Bros., of this city. It is no doubt the largest shipment of the kind that ever came into Marietta.

AFTER DINNER

When you have eaten heartily, you should take one only of Doctor Pierce's Pleasant Pellets.

Yours stomach and liver need the gentle stimulating effect of these tiny, sugar-coated granules.

If you feel drowsy, dull, languid, indigestible, tired or debilitated; if you're no appetite and frequent headaches or dizziness, a furred or coated tongue—it proves that you're bilious. In that case you should use the "Pellets." They are anti-bilious granules which act as a prompt and natural way, without gripping.

BEST PILLS FOR THE LIVER.

ROBERT MANSON, of West Eye, Rockingham Co., N. H., writes: "Three years ago I commenced taking Dr. Pierce's Golden Medical Discovery. I weighed 120 pounds, and now I weigh 175 pounds, so you see how I have gained in health and weight. Doctor Pierce's Pellets are the best pills I ever took for the liver. All my friends say they do them the most good."

MR. MANSON, ESQ.

MR. SAMUEL BAKER, SR., of No. 167 Summit Avenue, Philadelphia, N. J., writes: "There is nothing that can compare with Dr. Pierce's Pleasant Pellets, as Liver Pills. They have done more good than any other medicine I have ever taken."
